The Burrowing Owl

Who am I?

**I live underground,
A deep hole is where I'm found.
I am ten inches tall;
I have feathers and will never fall.
I hide from raptors and snakes;
I don't live by lakes.
I live by dirt and trees
And I definitely won't freeze.
Of course, where I live is hot,
And I eat insects a lot.
Who am I?**
