

Paint Pallet

As I sit against a rock and look up at the sky-
I pretend to paint the sky-
I swish
and swoosh my arm pretending im painting a bare
canvas-
I use orange-
Pinks-
And sometimes purple-
My favorite is red-
And eventually the canvas in no longer bare-
It's full of oranges-
Yellows-
Pinks-
Reds-
And purples-
It's a wonderful sight.
